

## Cell Groups at Penshurst Anglican Church

Our church calls itself a 'cell church', built upon the Biblical idea that the primary way that God's people can truly live out the Gospel is through small, intentional communities (called 'cells'). It is here where Jesus is given a far more intimate opportunity to do His work of transformation.

## Pray for the Famine in East Africa

**The Horn of Africa is in the grip of the worst drought and famine to hit the region for half a century. 1.5 million lives are at serious risk right now with an estimated 9 million at risk over the next 18 months.**

The Archbishop of Sydney, The Most Rev Dr Peter Jensen, through Anglican Aid, is seeking the goodwill of all Sydney Anglicans to show an extraordinary outpouring of compassion and generosity to raise \$500,000 for drought and famine relief for the people of **Somalia, Ethiopia and Kenya.**

**5,000 gifts averaging \$100 will reach this target**

Join together with Anglicans all over Sydney and beyond and make August 2011 a month when we can make a real difference to those suffering from this devastating humanitarian crisis.
