

## Cell Groups at Penshurst Anglican Church

Our church calls itself a 'cell church', built upon the Biblical idea that the primary way that God's people can truly live out the Gospel is through small, intentional communities (called 'cells'). It is here where Jesus is given a far more intimate opportunity to do His work of transformation.

# The Voice

Penshurst Anglican Church

We welcome you to our celebrations this morning! If you are a visitor here today, we pray that the Triune God of grace will richly meet you where you are, in the fellowship of His people here at PAC. We also invite you to make yourself known to us through the visitor forms found in the pew holders.

**Today we celebrate  
the Father  
above all fathers.**

*"For this reason I kneel  
before the Father, from  
whom his whole family in  
heaven and on earth  
derives its name."*

(Ephesians 3:14)

## Pray for Klinik Hohidiai

The IFC medical clinic (called Klinik Hohidiai) works in cooperation with the Indonesian Department of Health. IFC has two Indonesian doctors. Esther Scarborough is the director of medical work in Manado and North Maluku, Indonesia.

### Prayer points:

- \* Shortage of qualified nursing staff. Staff are very tired
- The children in our care are from dysfunctional homes and often a challenge to us. Pray for wisdom in handling them
- The director of the children's home is getting married so we need to replace her
- Praise God for those patients who have come to know him
- Pray for the staff as they witness to the patients including HIV patients that they may come to know Him
- We have had many desperate surgical cases that have drained our funds. We need prayer for that to be picked up.
- Pray for the marriages of several staff that are struggling or in difficulties.

### Funding is needed for the following:

- Dental Items (as per wish list) including steriliser
- Surgery: Several patients needing surgery for complicated problems. One surgery can run at up to \$1500.
- HIV patient housing, funds to complete a kitchen/recreation area for the leprosy and TB rehabilitation area (we have the building up to the stage where the roof is going on)
- Also funds to complete the current building of another children's home are required - approximately \$5000-\$8000 would see that pretty much finished
- Funds for the school

**Also pray for Lana and Gaye; for safety, health, wisdom and strength.**
