

Cell Groups at Penshurst Anglican Church

Our church calls itself a 'cell church', built upon the Biblical idea that the primary way that God's people can truly live out the Gospel is through small, intentional communities (called 'cells'). It is here where Jesus is given a far more intimate opportunity to do His work of transformation.

The Voice

Penshurst Anglican Church

We welcome you to our celebrations this morning! If you are a visitor here today, we pray that the Triune God of grace will richly meet you where you are, in the fellowship of His people here at PAC. We also invite you to make yourself known to us through the visitor forms found in the pew holders.

Welcome to Kephos Wong

Rev. Kephos Wong settled in Australia with his family nearly 20 years ago. With a heart in missions, he had been pastoring in various smaller cities in Australia other than Sydney and Melbourne.

Now serving in CCMA as Missions Director, Rev. Wong has a lot to share with you on how to obey our Lord's command on the Great Commission.

We look forward to hearing about the work of
CHINESE CHRISTIAN MISSION.

Pray for CCM

Who are we? Chinese Christian Mission (CCM) consists of a group of dedicated Chinese Christians. We follow the Lord Jesus Christ' command to reach the world with the gospel, through literature, broadcasting, and sending missionaries. Jesus Christ is our Commander in Chief and we stress to work with churches and Christians of same burden to bring the gospel to all nations.

Founding- During his early years of itinerant evangelistic ministry in Europe, CCM founder Rev. Thomas Wang received this vision from the Lord, "You will serve your kinsmen with a fervent heart. He consequently came to the U. S. to study in a seminary in 1958. After graduation in 1961, he rented a garage in Detroit, Michigan for twenty five dollars a month to started a four-man prayer meeting. God gave them the vision to spread the gospel by publishing literature. In October, 1961 Rev. Wang established the Chinese Christian Mission, a inter-denominational organization.

Today— After fifty years of serving, CCM has developed into a multi-facet mission organization from a humble literature ministry. Our strategy is reaching the Chinese to reach the world, by sending missionaries to the Chinese to bring them the gospel in their language, and equip believers to reach the local ethnic groups.
