

Cell Groups at Penshurst Anglican Church

Our church calls itself a 'cell church', built upon the Biblical idea that the primary way that God's people can truly live out the Gospel is through small, intentional communities (called 'cells'). It is here where Jesus is given a far more intimate opportunity to do His work of transformation.

What's happening - Term 1, 2012!

Year 7— The 6 classes have begun looking at how much God cares about them and desires a relationship with them.

Year 8— Students have begun considering how Christianity is different from other religions and what they already know about Christianity. They are very eager with questions and some are prepared to do further research to find out answers.

Year 9— Currently this term students have been exploring the source of their value and what how God views them.

Year 10— Students will focus this term in their seminar on looking at how God views them as a princess : a daughter of the King and the invitation he offers them to be a part of his family through Jesus. Year 10 students are meeting before school once a week to pray and grow as Christians working through 'More than a Carpenter'.

The Oatley Campus lunchtime group has started strongly this year after announcements were made at both year assemblies. Communication also takes place through the daily slides and Facebook group. This group is run in connection with the SRE teachers from Peakhurst and Hurstville Campuses. A major outreach event for this term was held on Thursday 23rdFeb which included a band and sausage sizzle.

Please thank & praise God:

- * For Daily evidence of God at work, even in disruptive classrooms, through conversations with students and staff.
- * Openness of staff within each faculty for SRE to take place. There is at least one advocate for SRE in every staffroom.
- * Growing opportunities at Oatley Senior Campus
- * Generosity of individual and church supporters
