

Cell Groups at Penshurst Anglican Church

Our church calls itself a 'cell church', built upon the Biblical idea that the primary way that God's people can truly live out the Gospel is through small, intentional communities (called 'cells'). It is here where Jesus is given a far more intimate opportunity to do His work of transformation.

New Sermon Series: This new series in 1 Samuel is simultaneously being preached by both Bart and Aisen. Although their messages will not be identical, the intention is that they will combine their thoughts and work together in the preparation of their messages. Our prayer is that the two congregations will be challenged and encouraged in similar ways and shaped by the Word of God in a consistently unified direction.

"Welcome to PAC" DVD: One thing that our church has needed is some sort of tool to welcome newcomers and to introduce them to our church. In order to tell the story of our unique church, message and ministry, we want to produce a DVD. Do we have anyone in the church who has skills in video production and editing? See Bart or Aisen today!

Bowling night: Get prepared for a night of friendly competition, Saturday July 7! See Millie or Cliff for more details..

Pray For Our Baptism Candidates

Next week, Aisen and Bart will conduct the baptism of 3 members of the Mandarin Congregation! This will take place during our 10:30am Combined Worship.

The names of the candidates are: Zhang Shuhua 張淑華, Chen Peihua 陳佩華 and Yu Mingfeng 俞鳴烽

See a Movie, Help a Village! If you go to see "Snow White and the Huntsman" (M) at Beverly Hills Cinema, at 7:00pm on Saturday 30 June, your money will help build a hostel for primary school children in ShangZhen!

The govt has provided school buildings, but no hostel. Little kids have to walk to school each day, up to 2 hours each way, and are subject to walking through snow in winter, wet grass in summer, insect and sometimes snake bites - they get sick and end up dropping out of school, because it's too far and too hard. WorldShare wants to build a hostel so they can stay at school during the week - in effect meaning they can actually get their education, and not be prevented by physical hardship.

Many of the older generation are illiterate - their hope is in the younger generation getting a better education and being able to get a better job than working the land.
