

Cell Groups at Penshurst Anglican Church

Our church calls itself a 'cell church', built upon the Biblical idea that the primary way that God's people can truly live out the Gospel is through small, intentional communities (called 'cells'). It is here where Jesus is given a far more intimate opportunity to do His work of transformation.

Pray for Kian Holik at UTS

Dear Friends,

It's been a while since our last update, but hopefully it's not too late to wish you a happy new year!

We thank God for:

- fruitful and safe holiday in Indonesia, and later on in Singapore and Malaysia. Praise God that our family had fruitful time spent especially with Kian's parents and sister. Josiah and Joel's highlight of the holiday was our time in Lego land, Malaysia.
- focus summer program had started on Wednesday this week. Praise God for a few non believers came to our meeting. Please pray for future events that Christ and his salvation may be more clearly proclaimed.
- successful nomination process of our permanent residence. That means half of the process is done!!! Praise God! And now another half to go. Please pray for this upcoming process that it may be smooth and quick. We praise God for his providence in this.

Please pray for us:

- for Kian's health in general, that he may exercise regularly and eat healthily.
- for focus summer program, as we combine between teaching and social. Please pray that people may be drawn in and hear the gospel.
- as Kian will be away this weekend for church camp and early next week for Credo staff away. Please pray for Liza and the boys at home.
- as the boys are starting school next week, that they may adjust well to the school routine quickly.
- for Liza's ministry at West Sydney CCC that the gospel may be clearly proclaimed in children's program and many young people can follow Jesus.

Please pray that we may declare his glory among the nations (1 Chron 16:24). Let us know if we can pray for you too.
