

Cell Groups at Penshurst Anglican Church

Our church calls itself a 'cell church', built upon the Biblical idea that the primary way that God's people can truly live out the Gospel is through small, intentional communities (called 'cells'). It is here where Jesus is given a far more intimate opportunity to do His work of transformation.

Prayer for Kian Holik at UTS

Praise God for a great year in FOCUS at Credo, UTS

We celebrated the end of the year at FOCUS by farewelling 12 students and introducing new student leaders for 2014. We praise God for Harry Lam, an apprentice staffworker, who is finishing his work at FOCUS and continue his training at Sydney Missionary and Bible College (SMBC) for a possible mission work in the future.

National Training Event (NTE) 2013

Credo is sending 74 students and staff to our AFES national camp (NTE) in Canberra. We are also hosting 8 students movements personnel from Indonesia and Vanuatu. Praise God that we will learn heaps about the doctrine of Christology and apply what we receive in mission through different churches.

The Holiks need a holiday!

We praise God that we have another chance this year after NTE to go back to Indonesia for a holiday and work! We will spend time with our family for Christmas in a holiday mode, and catching up with our supporters in Indonesia in a working mode. Please pray that our time will be fruitful for both. We will be back on the ground in mid January next year.

Thanks again for your prayer and support. We are hoping this new outlook of our monthly email will be more interactive. Have a happy Christmas and a joyful new year. Do take care!

Blessings,
Kian, Liza, Josiah and Joel Holik
