

Cell Groups at Penshurst Anglican Church

Our church calls itself a 'cell church', built upon the Biblical idea that the primary way that God's people can truly live out the Gospel is through small, intentional communities (called 'cells'). It is here where Jesus is given a far more intimate opportunity to do His work of transformation.

Current Sermon Series from Matthew 13 —

As we continue in this series, we see how the seven well-known parables from Matthew 13 all deal with the human heart. According to Jewish thinking, the heart is the seat of our emotional and intellectual life. All knowing, feeling, and willing were attributed to the heart by the Biblical writers.

Through these parables in Matthew 13, Jesus focused on the way the human heart responds to the Word of God's eternal Kingdom.

Church Camp News

Our first camp committee meeting, held last Sunday afternoon, did a terrific job in sorting out our immediate priorities. We now have four key sub-committees which have begun to undertake their specific tasks:

- Administration (responsible for costs, applications, bookings, room allocation, nametags, etc.)
- Activities (responsible for all the weekend's ice-breakers and fun.)
- Children's program (responsible for planning for the children's activities)
- Content (responsible for the teaching sessions and workshops)

We thank all those involved for all the hard work you are doing for us!

ISCF @ Oatley

Thursday lunchtime group co-ordinated by the Penshurst, Peakhurst & Hurstville GRC campus' SRE teachers. Give thanks for the recent growth in numbers of students joining this group for the first time. Pray their time together is one of good fellowship, prayer and studying the bible. Pray for the students as they are drawn to be more involved in the leadership of the group and need to balance that with study and assessments. Pray for the BBQ event upcoming): that the students will have a change to talk openly to their classmates about why the SRE teachers are on campus and the difference Jesus can make in their lives.
