

## Cell Groups at Penshurst Anglican Church

Our church calls itself a 'cell church', built upon the Biblical idea that the primary way that God's people can truly live out the Gospel is through small, intentional communities (called 'cells'). It is here where Jesus is given a far more intimate opportunity to do His work of transformation.

English-Speaking Cell Groups/	Day/time/frequency
Bart VandenHengel	Tuesday/ 7:30pm/weekly
Gaye Bishop	Tuesday/ 7:30pm/ fortnightly
Cliff Seeto	Weds / 7:30pm/ fortnightly

## Pray for Alfred and Alsie Ng in China

Alfred and Alsie Ng invite you to be a part of an exciting team, visiting rural and city communities in the northern and southern areas of China. Travelling with Alfred and Alsie Ng and WorldShare team leader Jenny Crameri, the trip departs Friday 24 October and includes:

**WEEK ONE: DUAN, GUANGXI PROVINCE**  
Fly to Nanning, the capital of Guangxi province. Spend seven days amongst the stunning limestone karsts in DuAn County in south west China, two hours north of Nanning. Visit and work with rural and remote villages or “nongs” hidden in the mountains. We will hold medical clinics in villages where health options are a rarity. Be part of the team to minister to the Yao and Zhuang minority people groups where the annual income is less than AUD\$200 per year. Encourage the local people as you learn about living in these remote hilltop communities. See and meet the local pastors supported by WorldShare as they reach out to these communities in love and with practical care. Visit WorldShare projects such as schools and hostels, churches, small agricultural projects and Sponsor-a-Child families.

**WEEK TWO: YANBIAN, JILIN PROVINCE**  
On the North Korean and Russian borders in the north east is China’s “Third Korea”, where 850,000 Chinese- Koreans live. We will visit an expanding ministry to these poor families over five days. Meet our partner who is a local pastor ministering to many families. WorldShare supports 160 children in a vibrant Sponsor-a-Child program. Visit and work with the children and families to support and encourage them. To reach Yanbian, we transit through Beijing, the fascinating and historic capital of China. The trip ends in Beijing where you may like to spend a few days taking in the sights of the world’s longest continuous civilisation.

PS- Please pray for Alfred who has been in the hospital since Saturday. He had a mild heart attack over the weekend, and although he said he’s okay, because of some ongoing heart related issues he must remain in hospital for further testing .
