

## Cell Groups at Penshurst Anglican Church

Our church calls itself a 'cell church', built upon the Biblical idea that the primary way that God's people can truly live out the Gospel is through small, intentional communities (called 'cells'). It is here where Jesus is given a far more intimate opportunity to do His work of transformation.

English-Speaking Cell Groups/	Day/time/frequency

## A letter of thanksgiving for the new spire!

**To all at St. John's  
Anglican Church,  
Penshurst,**

I feel compelled to send these New Year's Greetings to you all and tell you how absolutely thrilled we were when we saw the new spire gracing the lovely building of St. John's church!

I grew up in the district, was baptised, confirmed, taught Sunday School (in the old wooden structure), worked to raise money to build the new church building, was there for its consecration, was married and regularly attended there until my husband's work moved us to Armidale.

We returned to the area in the 70's and moved to Oatley where we attend St/. Paul's Anglican Church.

One evening, while returning home, we saw the "glowing" steeple. It was an extra special Christmas gift to the community! Thank you all, and a special thank you to Ian Burrell whose company has done such a fine job. (We are well aware of the costs to do such a thing these days!)

It's great to see the skyline marked with the elegant spire once more.

Sincerely,  
Margaret and Bruce Sargent
