

Cell Groups at Penshurst Anglican Church

Our church calls itself a 'cell church', built upon the Biblical idea that the primary way that God's people can truly live out the Gospel is through small, intentional communities (called 'cells'). It is here where Jesus is given a far more intimate opportunity to do His work of transformation.

Preaching program

Current Sermon Series:

The Gospel of 'Yes'

We continue our series of sermons, "The Gospel of 'Yes'". One of the big questions of life is whether God is 'for us' or 'against us'. In the midst of our struggles, we can easily believe the latter. This series takes us on an overview of the Old and New Testaments to see that God really is on our side!

March 29	Palm Sunday <i>The 'Yes' of Jesus</i>	2 Corinthians 1:12-20 Mark 11:15-19
April 3	Good Friday <i>The 'Yes' of the Cross</i>	John 3:13-17
April 5	Easter Day <i>The 'Yes' of the Resurrection</i>	1 Corinthians 15:12-26 Mark 16:1-20

Our **AGM** will be held today at 1pm.

Pray for Alfred and Ailsie NG

Last November, a WorldShare medical team visited Guangxi and Jilin provinces in China to assist the work of our local ministry partners, Alfred and Ailsie Ng.

The team of 11 spent the first week in DuAn County, Guangxi (southcentral China) where WorldShare has been working with our ministry partners Alfred and Ailsie Ng and the local government since 2002. We had a wonderful week of running medical and dental clinics in villages high in the mountains of this rural and largely oppressed area. The clinics were well attended and appreciated by the local people and pastors, with team members contributing in their various roles – doctor, nurse, dentists, sterilising equipment, managing the waiting crowds, a children's program – everyone had an important role to play. In addition, one team member ran training sessions for local pastors.

In the second week, we visited Yanji in far north-east China, near the North Korean and Russian borders. Pastor Lydia heads up the ministry to the poor Korean community, many of whom are descendants of North Korean refugees. WorldShare assists with a Sponsor a Child (SAC) program which helps 160 students and their families. The SAC support from Australians makes a huge contribution to the family as a whole. It is hum-

bling and a blessing to be a part of this program and to see the benefit it brings. A number of families were visited with the delivery of coal and rice to help them survive the harsh winter in this area.

The team ended in Beijing where a number of the team took the opportunity to visit the Great Wall, Forbidden City, Summer Palace and other amazing sites. It was truly a privilege to be a part of a wonderful team, working alongside our partners.
