

Cell Groups at Penshurst Anglican Church

Our church calls itself a 'cell church', built upon the Biblical idea that the primary way that God's people can truly live out the Gospel is through small, intentional communities (called 'cells'). It is here where Jesus is given a far more intimate opportunity to do His work of transformation.

Ride for Refugees Saturday, August 30

RIDE for Refugees is a cycling event for the serious and casual rider who has a heart to help refugees. We are focused on helping people and churches engage with and raise funds for refugees locally and globally. So grab your bike and come along for a great day out; ride individually or gather a team of family & friends. You can cycle the 25km course once, or take up the challenge of riding hard and completing 50km, 75km or even the full 100km option. Either way, it's all about making a difference in the lives of those who are vulnerable. (See Bart for more info.)

Pray for Andrew and Julie Friend

We are so grateful to be speaking at Penshurst again today. 6 months before coming to Australia on this visit, we moved from our comfortable house in the city to the beautiful but remote village of Selong Belanak. It’s nestled in a valley near one of the most stunning beaches that we’ve ever seen with the locals being either farmers or fisherman.

This move was perhaps the hardest thing we’ve done in our married life. Random village kids entering our house, dogs eating our garbage, roof leaks, open wells near us and a much different culture have all been part of the physical challenge, but there are also spiritual challenges.

It’s an intense dysfunctional community and we long to see the Kingdom of God come in a real way to these beautiful people that they may know his love and healing.

Please pray for:

1. A and M and the budding church at their house. Pray that they would be strengthened in the truth.
2. Our transition back into life in SB as well as our continuing visa process.
3. M and R, a national Christian family are planning on joining us by the end of the year. Please pray that they will come and that they can be fully financed to work for the project.
4. Community development projects and business ideas to go ahead and be successful.
5. Our friends and neighbours in SB, so that they would come to a knowledge of Jesus and a movement to Christ would start among this people group.
6. The growing number of believers on our island would increase and those discipling them would be protected.

Thanks,
Andrew and Julie Friend

P.S. Andrew and Julie will be staying for lunch today and would like to meet with anyone who is interested in hearing more about their work.
