Our Parish Council has been developing a new leadership structure for our church based around 8 ministry teams (Fellowship Events Team, Children's Ministry Team, Communication Team, Hospitality Team, Evangelism/Missions Team, Discipleship Team, Sunday Worship Team, Special Services Team.)

Each team will be led jointly by 1 Parish Councillor and 1 Assistant, in direct consultation with Bart and Aisen. Membership of these teams will be open to everyone in our church, according to your passion, interests and gifts.

On Sunday, March 26th, at our AGM, these leaders will be presented to the AGM for final approval. Our teams will then begin to take shape & operate.

Pray for (and support) the work of Anglican Aid

Dear Friends,

We, the current and former Archbishops of Sydney, are jointly calling for your help to respond to two major humanitarian crises unfolding in parts of East Africa.

One of the few relatively stable regions of South Sudan, where Anglican Aid has been supporting vital medical, food security and clergy training, has erupted and descended into violence with hundreds of thousands of frightened families and civilians fleeing for safety across the border into the north of Uganda. The town of Kajo-keji has been left empty and the Anglican Diocese of Kajo-keji, the bishop and staff have all fled to Moyo in northern Uganda. A diocesan office in exile is being established with the blessing of Archbishop Stanley Ntagali, Anglican Primate in Uganda. The church in exile will coordinate pastoral, spiritual, psychological and practical support for its members and others who have fled. Anglican Aid, from its emergency fund, is supporting the costs of the office over two years. A detailed report on the South Sudan situation was provided by the diocesan development officer. There are high levels of trauma and tribal animosity. Archbishop Ntagali is pleading for assistance to provide emergency food and water rations as well as medical aid and trauma counselling. Please help.

In the north of Kenya a severe drought has devastated many regions resulting in people experiencing acute famine conditions. The Bishop of Marsabit, the Rt Rev Qampicha Wario reports that the worsening drought situation is leading to the loss of both human and animal life in the nomadic communities of the region. "Livestock is their main source of livelihood. Now their livestock is dying, their survival is at stake." Into this situation CMS missionaries, Norm and Janelle Gorrie will soon arrive, and they have also appealed for our help to relieve the suffering and anxiety.

Would you help Anglican Aid provide emergency relief to these two worsening situations where our Christian brothers and sisters are seeking to triage the situation and provide leadership to meet this desperate human need? Please help these victims of violence and famine by making a generous tax deductible donation through The Archbishop of Sydney's Anglican Aid's Victims of Violence and Famine Appeal.

Sincerely in Christ,

The Most Rev Dr Glenn Davies, Archbishop of Sydney

The Rt Rev Dr Peter Jensen, Archbishop of Sydney 2001–2013

The Rt Rev R. H. (Harry) Goodhew, Archbishop of Sydney 1993 - 2001

The Rt Rev Donald Robinson, Archbishop of Sydney 1982 -1993

Cell Groups at Penshurst Anglican Church

Our church calls itself a 'cell church', built upon the Biblical idea that the primary way that God's people can truly live out the Gospel is through small, intentional communities (called 'cells'). It is here where Jesus is given a far more intimate opportunity to do His work of transformation.

English-Speaking Cell Groups/	Day/time/frequency
Bart & Kim VandenHengel	Tuesday/ 7:30pm/weekly
Gaye Bishop	Tuesday/ 7:30pm/ fortnightly
Megan & Jeff Powys	Thursday/ 7:30pm/ weekly
ReCharge! (University+ group)	Wednesday/ 8:00pm/ weekly
PAC Youth Group	Sunday/12:30-2 pm/ weekly
'The Quiet Place' prayer meeting	Sunday/7pm/weekly

If you are interested in joining one of these cells, you can either talk directly to one of the group leaders or to Bart for more guidance on which cell will fit you best. You may even want to start your own!
