

## Cell Groups at Penshurst Anglican Church

Our church calls itself a 'cell church', built upon the Biblical idea that the primary way that God's people can truly live out the Gospel is through small, intentional communities (called 'cells'). It is here where Jesus is given a far more intimate opportunity to do His work of transformation.

English-Speaking Cell Groups/	Day/time/frequency
Bart & Kim VandenHengel	Tuesday/ 7:30pm/weekly

**Today**, we are pleased to commission **Joy Watkinson** for a ministry with **Kairos**. Joy will be spending several days next week in an intensive time sharing the love of Jesus with prison inmates. Many of us have committed to this ministry in prayer or by writing letters to the 18 women with whom Joy will be sharing precious time next week.

**Welcomers Meeting**, today at 12:30pm.

How can we become a warmer, more welcoming church? Come share your ideas.

## Pray for Kairos

**Kairos** is a mission to those inside prison by ordinary men and women who have a heart for helping people on the basis of their faith. Through a 40 hour program given over three to five days inside prisons (called a ‘Short Course’ ) and 25 hours given over a weekend for outside programs, Kairos presents the possibility of a different, positive life through supportive, compassionate and non-judgemental words, actions and examples. Then through ongoing ‘Journey’ visits and reunion days, continuing hope and support are offered and ‘proven’ by the continued contact (“walking the talk”).

### A female inmate shares her story

*I thought I would write and let you know how rapt I was to have been chosen to take part in the recent Kairos course at our centre. I must tell you I was rather sceptical when I first put my name down. I was thinking, here we go again – another course, a bunch of do-gooders, probably Bible bashers to boot.*

*But hey, I was wrong. Kairos for me was the most wonderful experience I have ever encountered. What really got me, was that these people really didn’t care what I had done to end up in here – they just weren’t interested. They all possessed this ability to love you regardless of what you have done, and forgive you, although they didn’t know what they were forgiving you for. I hope I develop the ability to be like that to others in the future. At least my direction is right this time.*

*At first other girls were quick to “bag” you, but the strange part about it was the fact that they could actually see a difference in me after the course. When I asked what could they see, they answered, “I don’t know, you just seem to be glowing!” It gave them something to think about anyway.*

*The team and the other guests have become the best lot of friends I have met since my 14 months here, and I know their friendship will help me though the next 2 years.*

*Thanks so much!*
